Commissioner for Patents

The reply filed on 5-3-07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants' response to the current grounds of rejection over the prior art is non-responsive because no support for the invention now claimed is shown in the instant applications' originally filed supporting disclosure. Without showing where support for the invention now claimed resides in the originally filed supporting disclosure of this application, the mere statements that the cited prior art is not properly cited against the claimed invention does not constitute a fully responsive reply to the Office action mailed 1-30-07. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
